Short Description

- Natural quality: the material of our bags is made from 100% 140 g/m² thick cotton and is characterised by an excellent texture and stability of the linked seams.
- Timeless and suitable for everyday use: the bags are ideal for storing small items thanks to the short handles and a compact size of 28 x 32 cm. The natural colour is timeless, yet easy to combine. Great as a gift or storage bag.
- The bags are certified with the "Oeko-Tex Standard 100" seal and thus contribute to sustainability and friendly use. Continuous quality control checks of production with more than 25 years of experience.
