## Description

Artist's note: "The illustration of April in Jasu Wonder World 2021 calendar. The theme of the calendar was ***In the Wonder World***, featuring 12 fairytale-like illustrations. This is just another example of me playing with the idea of turning antlers into pretty much anything. However, this was the first time I did so with a moose instead of a deer."

The size of the original painting is 30 x 21 cm (A4).
